

Bridge Together Golden Gate

PEACEFUL
DEMONSTRATION

01.20.2017

10:00 AM - 12:00 PM

PERFORMANCE
ART

On January 20, 2017 (Inauguration Day), from 10AM – 12PM, we are hoping to form the first (ever) human chain across the entire Golden Gate Bridge (and beyond). This is a collaborative, grassroots, community-based demonstration and performance art piece. We will stand together in unity and love as a shining beacon of inclusiveness and democracy to prove that we are stronger together, that love trumps hate, and that the hateful rhetoric of the in-coming president & his administration will not be tolerated. Bring (or wear) a yard of purple fabric, ribbon, or scarf. We are not blocking traffic. We have been granted an Expressive Activity Permit for this.
